

REACH & CLP DECLARATION

Heneken Mazak's zinc alloy products comply with regulation Nr. 1907/2006 (EC) on **Registration, Evaluation, Authorization and Restriction of Chemicals** and with regulation Nr. 1272/2008 (EC) on the Classification, Labelling and Packaging.

We hereby confirm that Heneken Mazak's zinc alloy products **do not contain: UV-328, Dechlorane Plus and Methoxychlor** which are listed in Annex A to prohibit their uses at the 11th Conference of the Parties (COP11) to the Stockholm Convention on POPs in May 2023.
